NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that an annual meeting of shareholders (*Meeting*) of Canadian Solar Inc. (*Corporation*), will be held at Kirkland & Ellis International LLP, 11th Floor, HSBC Building, Shanghai IFC, 8 Century Avenue, Pudong New District, Shanghai 200120, People's Republic of China on Friday, June 20, 2025 at 4:00 p.m. (local time) for the following purposes:

Revocation of Proxies

Proxies given by shareholders for use at the Meeting may be revoked at any time before their use. In addition to revocation in any manner permitted by law, a proxy may be revoked by depositing an instrument in writing signed by the shareholder or by the shareholder's attorney duly authorized in writing with Computershare by mail or overnight delivery to Computershare, 150 Royal Street, Suite 101, Canton, Massachusetts, 02021, United States of America, Attention: Proxy Department, at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof or be deposited with the chairman of the Meeting before the commencement of the Meeting or any adjournment thereof.

Voting and Discretion of Proxies

The common shares represented by the proxies solicited by management pursuant to this Circular will be voted in accordance with the directions contained therein.

If no directions are contained therein, the common shares will be voted FOR:

- (a) the election of each of the seven (7) nominees for election as director named in the Circular; and
- (b) the appointment of Deloitte Touche Tohmatsu Certified Public Accountants LLP as the auditors of the Corporation and the authorization of the directors of the Corporation to fix their remuneration;

The accompanying form of proxy confers discretionary authority on the persons named therein in respect of amendments or variations to the matters referred to in this Circular and in respect of other matters that may properly come before the Meeting or any adjournment thereof. Management of the Corporation knows of no such amendments or variations or other matters that may properly come before the Meeting but, if any such amendments or variations or other matters properly come before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their best judgement.

Voting Shares

Shareholders of record on April 29, 2025 are entitled to receive notice of and vote at the Meeting. The authorized capital of the Corporation consists of an unlimited number of common shares. Shareholders are entitled to one vote for each common share held by them.

Principal Shareholders

To the knowledge of the directors and executive officers of the Corporation, the only persons who beneficially own, directly or indirectly, or exercise control or direction over voting securities of the Corporation carrying 5% or more of the voting rights attached to any class of voting securities of the Corporation are set out in Item 6E "Share Ownership" of the Form 20-F.

Required Approvals

The election of directors and the appointment of auditors require the approval of a majority of the votes cast on the matter by those shareholders of the Corporation present in person or by proxy at the Meeting.

MATTERS TO BE ACTED UPON AT THE MEETING

ANNUAL BUSINESS MATTERS

Consolidated Financial Statements

The audited consolidated financial statements of the Corporation for the financial year ended December 31, 2024, together with the auditors' report thereon and the notes thereto, accompany this Circular and will be submitted to the Meeting. Receipt of the audited consolidated financial statements will not constitute approval or disapproval of any matters referred to therein.

Election of Directors

The articles of the Corporation require that the Corporation have a minimum of three directors and a maximum of ten directors. The articles of the Corporation provide that the actual number of directors within the specified minimum and maximum may be determined from time to time by resolution of the directors. The board of directors of the Corporation (**Board**) has by resolution fixed the number of directors of the Corporation to be elected at the Meeting at seven (7). The term of office of each of the current directors will expire at the close of the Meeting. The term of office of each of the directors elected at the Meeting will expire at the close of the annual meeting of shareholders following the Meeting, or until their successors are duly elected or appointed in accordance with the Articles or until such director's earlier death, resignation or removal.

Management of the Corporation proposes to nominate the seven (7) individuals named below for election as directors of the Corporation. The Corporation has not received notice, and management of the Corporation is not aware, of any other nominees for election as directors of the Corporation. Shareholders may vote for all of the nominees named below, vote for one or more of them and withhold their vote for others of them, or withhold their vote for all of them. At the Meeting, shareholders will be asked to pass an ordinary resolution to approve the appointment of the seven (7) nominees set forth below as directors of the Corporation. An ordinary resolution needs to be passed by a simple majority of the votes cast by the shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Under the Corporation's Corporate Governance Guidelines, any nominee for election as a director of the Corporation in an uncontested election who receives, from common shares voted in person or by proxy at the Meeting, a greater number of shares withheld than shares voted in his favour for election as a director must promptly tender his resignation to the Chairman of the Board, such resignation to take effect on acceptance by the Board. The Nominating and Corporate Governance Committee of the Board will expeditiously consider the director's offer to resign and make a recommendation to the Board on whether to accept it. In considering the director's offer to resign and making its recommendation, the Nominating and Corporate Governance Committee will evaluate the best interests of the Corporation and its shareholders and will consider a number of factors, including alternatives to cure the underlying cause of the votes withheld, the experience/expertise of the director, the overall composition of the Board and whether accepting the resignation would cause the Corporation to fail to satisfy any listing or regulatory requirement. The Board will have 90 days after the date of the Meeting to make a final decision and announce it by way of press release. A director who tenders his resignation may not participate in the deliberations of the Nominating and Corporate Governance Committee or the Board on whether to accept his resignation offer.

Director Nominees

The following table sets out the name and city, province or state and country of residence of each individual proposed to be nominated for election as a director of the Corporation at the Meeting and his current position with the Corporation. It also sets out information with respect to the individual's equity ownership, current membership on Board committees, other public board memberships held in the past five years, areas of expertise/experience and, where applicable, Board and Board committee meeting attendance during the 12 months ended December 31, 2024.

Director Term Limits and Other Mechanisms of Board Renewal

Three of the seven director nominees joined the Board for the first time within the past five years. The Corporation has not adopted term limits for Board members, but facilitates Board renewal by reviewing and evaluating the performance and independence of Board members and Board committees annually. The Corporation seeks to foster a balance between new perspectives and the experience of seasoned Board members. The Corporation believes a policy imposing a term limit or an arbitrary retirement age would discount the value of experience and unnecessarily deprive the Corporation of the contribution of Board members who have developed a deep knowledge of the Corporation and its businesses over time.

Appointment of Auditors

Management of the Corporation proposes that Deloitte Touche Tohmatsu Certified Public Accountants LLP (*DTT LLP*) be reappointed as auditors of the Corporation and that the directors of the Corporation be authorized to fix their remuneration. DTT LLP was appointed as auditors of the Corporation since 2006. An ordinary resolution needs to be passed by a simple majority of the votes cast by the shareholders present in person or represented by proxy and entitled to vote at the Meeting.
